Contributions to SDGs

Looking ahead to 2030, Kao is focused on SDGs, which have been agreed upon and adopted by the international community. As indicators for realizing a sustainable society, SDGs set forth an integrated approach to improving the economy, society, and the environment. Contributions by companies are considered extremely important to achieving SDGs. As shown in the table below, the KLP is deeply aligned with SDGs and makes concrete and practical contributions through Kao's products and business activities. From addressing environmental issues to promoting health and achieving gender equality, Kao's initiatives play a vital role in advancing SDGs. Through these efforts, Kao not only fulfills its corporate responsibilities but also contributes to the sustainable development of society as a whole.
